Notes: Liberal Arts & Sciences Adolescent Education 7-12 with SUNY New Paltz

a. Students planning an academic major in science at New Paltz should start their sequence in biology or earth science. Other students may take applicable four credit (laboratory science) courses in astronomy, biology, chemistry, geology, physics or physics. See General Education, Appendix B, page 99.

b. All students are required to satisfy the foreign language requirement, prior to transfer. If the student has no previous foreign language study, or wishes to begin a language not previously studied, two semesters are required. For individuals with previous foreign language study who wish to continue with that language, it may be possible to satisfy the requirement with one semester of foreign language study. Foreign language instructors should be consulted for assistance in selecting the appropriate course. Students planning an academic major in foreign language at New Paltz at the New Paltz must choose French or Spanish.

c. MAT 109 or higher required.

d. The baccalaureate degree in adolescent education requires a minimum of 30 credit hours in an academic major. Students should plan their individual programs in order to have a minimum of 12 or, if possible, 15 credits toward the major at New Paltz when they complete the associate degree. It is essential that students consult their advisor when selecting elective courses for the academic major.

e. Students planning an academic major in history at New Paltz should choose HIS 121 or HIS 104.
