**CSTEP PROGRAM GUIDELINES**

The Collegiate Science and Technology Entry Program (CSTEP) is required to have on file financial and academic information about each program participant and to make this information available upon request to the Bureau of Professional Career Opportunity Programs of the New York State Education Department. The information includes:

1. Income regarding a student's economic eligibility, if necessary, and regarding the student's eligibility for financial aid and the amount of entitled to the student.
2. Mid-term grades and transcripts to monitor academic progress.
3. Midterm evaluations done by faculty to monitor academic progress each semester.

In addition, continued enrollment in CSTEP and eligibility to continue receiving services involves a commitment on the student's part to cooperate with the CSTEP staff and participate in the services and activities offered such as CSTEP meetings, tutorial sessions, workshops, and counseling sessions with the counselor/coordinator.
