PLUS LOAN ENDOSER/APPEAL FORM 2011-2012

Student Name: _____ DCC ID: A _____

The Office of Financial Aid has received information from the federal government regarding the PLUS Loan application you submitted via studentloans.gov

At the present time, the information provided to our office by indicates that the PLUS Loan has been denied based on the credit check that is required. Federal law allows PLUS Loan borrowers the opportunity to appeal the decision of the credit check using an endorser. An endorser is someone, such as a relative or friend, who is able to pass the credit check and agrees to endorse your loan.

If you do not wish to use an endorser at this time, your child would be able to borrow an additional \$4000 in Unsubsidized Stafford Loan funds. Should you decide at a later date to appeal your credit decision using an endorser, any additional Unsubsidized Stafford Loan money that has been awarded and/or disbursed would be cancelled.

Please contact the Direct Loan Customer Service Center at 1-800-557-7394 if you have additional questions regarding your credit check decision on the PLUS Loan or the appeal process using an endorser.

The Office of Financial Aid must have the following information before any additional action will be taken on your PLUS Loan.
