How to Use QuikPay

Through QuikPay, students are able to view account activity, make credit card or ACH payments, set up Authorized Users or sign up for the e-Cashier Payment Plan.

1. **Message Board** - This contains important information from DCC. Please be sure to review each time you log in to QuikPay.
2. **Payment Profiles** - This allows you to set up payment profiles for either credit card or e-check payments.
3. **Authorized Payers** - Use this to create and edit authorized payers to view and pay on your account.
4. **User Preferences** - All Statement Notifications will be sent to your current DCC email address. You can add another email to receive notifications of bills and payments.
5. **View Accounts** - View your account transaction and account balance in real time, view your most recent (current) statement, or view a history of your statements.
6. **Make Payment** - Here, you can choose to make a one-time credit card or e-check payment, or enroll in the e-Cashier Payment Plan.
7. **Transaction History** - This is a history of all payments and refunds that have been processed on your account.
