Campus Recycling Program

The following SHOULD be put in campus recycling containers:
1. Newspapers, magazines, phonebooks, junk mail, magazines, white and mixed paper (All waste paper must be clean and uncontaminated by food)
2. Cardboard boxes (flatten and leave for Housekeeping to pick up)
3. EMPTY plastic bottles and CLEAN containers with a recycling symbol
4. EMPTY glass bottles and CLEAN jars
5. EMPTY aluminum drink containers and CLEAN food cans

The following SHOULD NOT be put in campus recycling containers:
1. Broken glass, tissues, paper towels, Styrofoam, aerosol cans, ceramics
2. CONFIDENTIAL DOCUMENTS (put in locked confidential cans)

Campus Facilities recycles fluorescent light bulbs, computer monitors and CPUs, thermostats and metal. Batteries should be returned to the Warehouse for disposal. Ink cartridges that come with a pre-paid return envelope should be returned to the vendor. Large cartridges can be returned to the Copy Center for recycling. Cafeteria kitchen waste is composted and used fryer oil is picked up for recycling.
