Roommate Requests How to search for a roommate.

If you're sure about who you want as a roommate, use the **Simple Roommate Search**. It will automatically email the person you are requesting.

If you want to check out someone's profile before you select, use the Advanced Roommate Search.

Once you select a roommate an email is sent to them alerting them that they've been requested.

FAQs

Can I cancel my roommate request?

Not yet. You'll be able to change your room and/or roommate when we open the Room Change period from June 1 to June 14.

Can I request a single room?

There are very few single rooms. Although there are no guarantees, you can request a single room by filling out and submitting a **Single Room Request** form

We recommend selecting a room with a roommate while you're on the wait list for a single room.

• What if my roommate cancels?

If your roommate cancels, you'll be able to pick another one between June 1 and June 14. If you don't choose one during the period, someone will be assigned to your room.

How do I cancel my housing license?

Same as always! Email us at:

studenthousing@sunydutchess.edu FROM your DCC email account to let us know that you'd like to cancel. Include you a number. Please refer to the terms of your Housing License Agreement for the refund eligibility policy. Students cancelling after the deadline are ineligible for a refund of their deposit.

I paid my deposit but it's still saying I'm ineligible for Room Selection!

You may have a balance on your account or have some other unmet requirement. Please email us at: <u>studenthousing@sunydutchess.edu</u> and we'll look in to it for you!

• Can I be dropped from my room assignment?

Yes! If you're bill is not paid by August 14, 2015 you may lose your assignment! You must also have all of your requirements met according to the deadline chart or you risk losing your assignment!
