Remembering Our Community

People are what make our community at Dutchess Community College the special place that it is. The DCC Foundation wants to honor and remember the people that have touched our lives and are no longer with us.

We have created a Remembrance Tree to honor and remember loved ones, colleagues and friends ... anyone you would like to memorialize. The design of the tree is shown below.

We are offering you an opportunity to pay tribute to someone special. The leaves are engraved with the person's name and date that he or she passed away. Part of the money raised from this Tree will go toward scholarships for local students.

Yes, I would like to remember a loved one with a memorial leaf:

- Gold - \$1,000
- Silver - \$500
- Bronze - \$250

Though our loved ones are gone, their spirits will forever live in our hearts.
