CAMPUS Tour
Welcome to Dutchess Community College!

We’re proud to show off our Town of Poughkeepsie campus, which has been described as one of the most beautiful in the State University of New York system. Situated in the heart of the mid-Hudson Valley on 130 sprawling acres, Dutchess Community College provides an enriching teaching and learning environment that fosters collaboration among students, faculty and staff and provides experiences beyond expectations.

Our facilities are designed for student comfort and success, offering state-of-the-art technology and plenty of space to study, play and just hang out. As you move from building to building for classes, you’ll enjoy beautiful views and in the spring and fall, stunning landscaping enhanced by tree-lined pathways and colorful flowers. During good weather you’ll find students relaxing on benches, playing Frisbee on the lawn and with their professors and classmates, learning outdoors.

For those who live and/or work in southern Dutchess, a new extension site is opening soon at the intersection of Route 9 and Interstate 84.

The following pages highlight our Poughkeepsie campus; please enjoy this overview and be sure to come for an information session and tour soon! Find dates and registration information at www.sunyduchess.edu/admissions.
BOWNE HALL

The first stop on our campus tour also is the most historic. Constructed in 1913 as the Samuel and Nettie Bowne Hospital and donated to the College in 1956, this building has undergone several extensive renovations and houses classrooms and administrative offices.
Next up is the Center for Business and Industry, which houses nursing labs, television and audio recording studios, academic offices and more.
DRUMLIN HALL

Though it’s a great place to catch an amazing panoramic view of the county’s lush landscape, Drumlin Hall is better known for housing the Louis Greenspan Cafeteria. A small stage in the dining area allows for the occasional musical performance or special student activity.

CAMPUS DINING

The cafeteria has great-tasting and healthy options to meet any dietary need!
DUTCHESS HALL

Fun can happen almost anywhere on campus, but Dutchess Hall is the center of the action! The Student Activities office is the hub for student government, dozens of clubs, on-campus activities and off-campus trips. There’s always something going on in the theatre, which offers plays, musical performances, lectures and other enrichment opportunities.
FALCON HALL

Here’s a stop on our tour that surely will get things moving! Falcon Hall features a gym, fitness center, exercise and dance studios and more, and is home to DCC’s Division III athletic teams. Go Falcons!
HUDSON HALL

The largest academic building on campus, Hudson Hall is the location of DCC’s beautiful and well-equipped library, classrooms, academic services office and veterans resource center!

WHAT’S INSIDE

- Center for College Access and Educational Opportunities (CSTEP, EOP, LSAMP & TRiO)
- Library
- Service Learning
- Tutoring
- Veterans Resource Center
- Writing Center

ACADEMIC DEPARTMENTS

- Behavioral Sciences
- English & Humanities
- History, Government & Economics
RITZ LIBRARY

Find your favorite spot in the Francis U. and Mary F. Ritz Library and conduct research, catch up on your assignments, hop on a computer, read a good book or work on a project with friends. A large collection of books is supplemented by advanced digital resources that can be accessed on site or at home. Our friendly librarians will help you find what you need.
ORCUTT STUDENT SERVICES CENTER

The Jack and Llelanie Orcutt Student Services Center provides one-stop convenience for students, housing the offices of Admissions, Student Financial Services, Registrar, Advising, Counseling and more.

WHAT’S INSIDE

- Accommodative Services
- Academic, Career and Transfer (ACT) Center
- Admissions
- Counseling
- Health Office
- Registrar
- Security
- Student Financial Services
TACONIC HALL
Classrooms and labs for engineering, architecture and other subjects, along with a renovated lecture hall, can be found in Taconic Hall.

WHAT’S INSIDE
CLASSROOMS & LABS
- Architecture Design Lab
- Engineering Graphics Lab
- Laboratory Nursery School
- Electrical Technology Lab

ACADEMIC DEPARTMENTS
- Business, Aviation and Construction Professions

DCC
This program prepares graduates for employment opportunities in the field of architecture. In addition to being architectural technicians, graduates will be qualified to be draftspersons, engineering aides, building materials and manufacturing representatives, planning aides and detailers, and to work with city building departments and renewal and redevelopment agencies. Dutchess Community College graduates also are able to transfer many of their credits to accredited architectural colleges. Students should have completed Sequential Math Course III prior to entry into the Architectural program.

For more information, contact the Admissions Office at (845) 431-8010 or visit www.sunydutchess.edu/academics
The Allyn J. Washington Center for Science and Art houses state-of-the-art science, mathematics, and art classrooms and laboratories. It also is home to the Mildred I. Washington Art Gallery, which features about six exhibits a year.
CONKLIN HALL

Welcome home! Our contemporary, suite-style residence hall has welcomed hundreds of students – both local and from other counties, states and countries – every year since it opened in 2012.

WHAT’S INSIDE

- Suite-Style Student Housing
- Office of Residence Life
- Laundry
- Study Lounges
- Multi-purpose Atrium
- Convenience Store
DCC @ FISHKILL OPENING SOON!
The new, 47,000 sq. ft facility will offer a state-of-the-art learning environment, flexible scheduling options and ample parking, as well as the additional convenience afforded by its location at the intersection of Route 9 and Interstate 84!
