make this program flexible!

CONVENIENT LOCATION

CNA classes are offered at the Family Partnership Center in downtown Poughkeepsie; 60 hours of clinical placements are offered at a local nursing home.

PROGRAM COST: \$1,595*

*Additional student expenses include: physical, immunizations, TB test, text, uniform and NYS DOH Certification Exam.

NOTE: Prior to registering, students will need to complete a reading comprehension test and orientation.

Prepare to start a new job in healthcare!

CERTIFIED NURSE ASSISTANTS work in a variety of settings such as nursing homes, assisted living facilities and hospitals. They're an important part of the healthcare team, helping patients with feeding, mobility, personal hygiene and other needs. After completing the program, graduates can take the NYS Department of Health Certification Exam.
