

DCC Students! You can track your academic progress online with **Starfish!**

Starfish will allow you to:

- **View Your Success Network** – Contact information for your instructors, your assigned advisor, and other resources available to you!
- **Get Feedback from Your Instructors** – Your instructors will be providing feedback about how you are doing through Starfish to make sure you are successful!
- **Schedule Appointments** – You can schedule appointments with your advisor!

How do I access Starfish?

- Simply log into your **MyDCC** account and click on the Starfish Login link. You will automatically be logged into Starfish!

If you have any questions about Starfish, please email DCCStarfish@sunydutchess.edu.

We hope you find Starfish useful and helpful during your time at Dutchess Community College!
